

# Beaver Path

ISSUE 2

CIRCLE THE BEAVER THAT MATCHES HOW THE  
MUSIC NOTES ARE MOVING:  
UP, DOWN, OR REPEATING

The image contains three measures of music notation, each with a corresponding illustration of three beavers on a path below it. The beavers are shown in different positions: one on the left bank, one in the water, and one on the right bank. The first measure shows four quarter notes, all on the same line (G), representing a repeating pattern. The second measure shows a descending sequence of four quarter notes: G, F, E, D. The third measure shows an ascending sequence of three quarter notes: E, F, G.

Inside the crest of the Canadian Military Engineer Regiments you will see a beaver!  
What might engineers and Canada's national animal have in common?

# Design a Bridge

ISSUE 2

CANADA'S MILITARY ENGINEERS CAN BUILD MANY THINGS, INCLUDING BRIDGES.

USE THIS PAGE TO DESIGN YOUR OWN BRIDGE THAT CROSSES THE RIVER.

# Music Math Matching

ISSUE 2

MATCH THE LOG WITH THE NOTE THAT  
EQUALS THE SAME AMOUNT OF BEATS
